

- The low bid for the project came in at half the cost of the original project estimates of \$120-\$130 million. The remaining funds will be used for future [Mobility Fund](#) projects across the state.
- The contractor is scheduled to complete phase two by May 2013, five months earlier than NCDOT required. Phase one is set to wrap up in January 2013, which means all construction along I-85 in Davidson and Rowan counties will be finished by spring 2013.

(Editor's note: For more information about phase two of the I-85 Corridor Improvement Project, see the fact sheet attached to this e-mail.)
